Script - What you want read while you are modeling. Mail the script with the entry forms to the office or email them to kwood125@umd.edu (Due: July 29th)

Tips on writing your own script:
~ Be creative
~ Write it in second person. Example: “Natalie chose this summer outfit because……”
~ Typed or printed - double spaced
~ One script for each outfit
~ Length - 75 to 90 words (about 30 seconds narration)
~ Narration should include:
  Full name (underlined) and club (some place in the script)
  Brief description of the outfit - avoid detailed descriptions - if it's obvious to the audience, omit it.
  Also could include, number of years in 4-H, projects carrying, hobbies, grade in school, and other interesting information.
