4-H All Around the County

“IF YOU NEED ASSISTANCE TO PARTICIPATE IN A 4-H ACTIVITY, PLEASE CONTACT THE UNIVERSITY OF MARYLAND EXTENSION AT 410-887-8090 AT LEAST TWO WEEKS PRIOR TO THE ACTIVITY DATE.”

The 4-H Office in Baltimore County will be CLOSED on:
• July 3, 2015
• September 7, 2015

This year it took no time at all for our STEM and 4-H Day camps to fill up. We look forward to an exciting 4-H camping experience for our youth.

However, in August we have a Farm Camp sponsored by MARC. Due to high demand last year, this year the camp will be offered in 2 sessions. The first camp is held during the week of August 10-14 from 8:30 am - 4:30 pm for youth 8-10 yrs. old. The second session is held during the week of August 17-21 for youth 11-13 yrs. old. 4-H will be having teaching stations this year. We hope to see you there.

Go to: http://ter.ps/15sumcamps or call the office at 410-887-8090 for more information.

The 4-H Engineering Camp this year had another wonderful turnout. Many new skills were learned and new friendships formed.
The Champion Chow Food Challenge was held on April 19, 2015 with good participation from our 4-Hers. There were many tasty dishes created for our judges to taste. The place settings were works of art. Many thanks to all our judges and Colleen Harlen, Superintendent.

**A MESSAGE FROM NIA FIELDS**

Greetings 4-H Families,

It is with mixed emotions that I share an update with you all. As many of you have heard, I will be on leave between June 2015 and December 2015. While I’m excited for the new addition that is to come in our family and the research project that I’m working on for my doctoral project, I will certainly miss the interaction with my 4-H families! During my sabbatical, I will be working on a 4-H Social Capital research project that will serve as my dissertation for my doctoral program. I am excited for this opportunity and am hopeful that my research can bring a great contribution to the Maryland 4-H Youth Development program.

Our 4-H Team has spent several months preparing for my leave and I’m confident that you will be in good hands with Dwayne Murphy, Wendy Dilworth, Kriss Cocoros, Trish Moore and Ellen Blake. Additionally, Jeff Myers, our Area Extension Director will continue to support our efforts throughout this time. If you need assistance during my time away, please don’t hesitate to reach out to the UME 4-H Office at 410-887-8090. I look forward to hearing about the great things that happen during my absence and checking out the latest pictures on our 4-H Baltimore County Facebook page. As always, I know we will continue to Make our Best Better!

Congratulations to James Thomas who has been chosen to represent Baltimore County at the 2015 National 4-H Congress!
MARYLAND 4-H AHQA INFORMATION SHEET

All Maryland 4-H members enrolled in alpacas, beef, dairy, goats, horse and pony, poultry, sheep, swine and rabbits are required to complete the Maryland 4-H On-Line Animal Husbandry & Quality Assurance (AH&QA) Program to be eligible to exhibit their project animals in 2014 Maryland County 4-H and State 4-H Shows. This program is offered to help youth who participate in 4-H animal projects in Maryland learn about the importance of caring for, grooming and showing their animals in safe and ethical ways.

4-H’ers are required to complete the on-line training program when they reach each 4-H age division (Juniors (ages 8-10), Intermediates (ages 11-13), Seniors (ages 14-18) – all as of January 1 of the current year) OR when as Intermediate and Senior 4-H members, they choose to show a new species since last completing the program within their age division.

The on-line program gives youth the opportunity to fulfill the Animal Husbandry and Quality Assurance training requirement via internet from their home, school or local library. AH&QA program has voice narration, so the material is shared in both written and oral form. Members will be asked to respond to questions to evaluate knowledge at different points during the program.

There are two Levels to the program: one level is for Junior members and a second level is for Intermediate and Senior members. Members will be automatically taken to the appropriate Level according to the birthdate entered on the registration screen. The program takes about 45-75 minutes to complete, depending on which level is being completed. When members register for the program, they will be provided a unique Passcode. Members should write their Passcode down and keep it in a safe place! A member must be LOGGED IN with their passcode for the system to track their progress and record their completion of the program. If a member needs to stop the AH&QA training in the middle of the program, he or she may return to the program where they left off by entering their Passcode on Page 1 of the program. ALL members completing the program prior to 2013 (or any portion of the program) must register and a NEW PASSCODE will be assigned. Passcodes to members from 2013 and before are no longer valid.

For 2015, members will have access to the AH&QA program from March 15 through July 31st. Members MUST complete the AH&QA training no later than July 31st. Counties may establish a completion deadline earlier than July 31 to meet the needs of the local program. Baltimore County 4-H members must complete the AH&QA program by July 1st for the Baltimore County fair.

Members may go directly to the AH&QA program at http://www.agnr.umd.edu/ahqa or a link to access the AH&QA program will be posted on the Animal Science Program Resources page of the Maryland 4-H website at http://extension.umd.edu/4-h/.

Upon completion of the program, members will have an opportunity to print a Certificate of Completion for their records. It is suggested that members keep the Certificate of Completion with their animal health papers (CVI forms, etc.), registration papers, and other animal records. Each member’s progress will be kept in a statewide database and their County 4-H staff will receive notification that they have completed the AH&QA training.

NEW ONLINE ENROLLMENT

Beginning in January, the Maryland 4-H Program transitioned to a NEW enrollment/re-enrollment system called 4-H ONLINE. Our club leaders have recently attended a training on the new enrollment system and will be able to provide some guidance as you register your families on line. The re-enrollment period for 2015 will be January 1, 2015 - March 31, 2015. Each family will create a profile on the system and enroll UME trained volunteers and 4-H youth under the family profile. The behavioral expectations are also on the new system and will be maintained electronically. Club leaders will let families know how their specific club enrollment, re-enrollment fee and club dues process will proceed. Club leaders also have Family Handbooks to walk families step by step through enrollment. UME volunteers not associated with a club will also use this system to create a profile and enroll themselves. The link for the new online system is: https://md.4honline.com. Please contact the 4-H office if you have any questions through this transition 410-887-8090 or wendydl@umd.edu.

NEW SUMMER INTERN

My Name is Jennifer Coroneos I am about to start my junior year of college this fall at Virginia Tech. My major is Animal and Poultry Science with a minor in Agriculture Business. I grew up in Baltimore County 4-H as a member of the Chestnut Ridge 4-H club. I started as a clover and participated in my last Baltimore County fair last year. While in 4-H I had many indoor entries including: cooking, sewing, crafts, and photography. I also showed swine and lambs, these happen to be my favorite projects. Even though my time as a 4-Her is over I knew I wanted 4-H to still be a part of my life. I am so happy to be the Baltimore County 4-H Summer Intern to see what happens behind the scenes.

MARYLAND STATE FAIR

We are officially in June and you know what that means. It’s time to register for the Maryland State Fair! Here is the link to the 4-H classes and rules and regulations. http://www.marylandstatefair.com/exhibitors/4-h Please make sure you read over all your classes and the rules and regulations for any changes. The deadline to register is July 31st. So don’t delay and register early.
Show your 4-H pride by signing up to be a Fair Tour guide for the Baltimore County 4-H Fair. Guides will be able to obtain community service hours and get a great t-shirt. There will be two days of tours: July 17th, 2015.

**Tours will be one hour long and will begin every half hour from 9:30 am - 2:00 pm**

Please send in the form below with the desired tour guide times and your t-shirt size to the 4-H Office.

Become a Fair Sponsor!

Instead of an ad booklet, the Fair is seeking sponsors through new avenues — activity booklet, banner, yard sign, or Fair event. All types of supporters can participate — Clubs, businesses, families, and even just a good luck message.

The signs will be displayed throughout the Fair, and taken home by the sponsor at the end of the Fair. Supporters can also purchase patrons, which will be displayed on a banner at the Fair.

The Fair is seeking businesses to be Champion, or Blue Ribbon supporters. Details, prices, and ordering dates are located on the Fair website, www.baltimorecounty4hfair.org.

Teen & Adult Volunteers Needed - Call the 4-H Office to volunteer.

- Teen TOUR GUIDES are needed on Friday--share your knowledge with children.

- Teen and Adult volunteers are needed to help in Agroland Friday & Saturday. A great learning experience while you share with Fair visitors young and old.

**DID YOU KNOW THEY WERE IN 4-H?**

Ben Nighthorse Campbell, Placer County, California, United States Senator, Colorado, Retired

Ben Nighthorse Campbell's life of service was inspired by 4-H, and the lives of his family have been inspired by 4-H as well.

Astronaut and Iowa native Dr. Peggy Whitson was a 4-H'er who learned from working on the family farm the value of hard work. Whitson hopes that will be her lasting influence, showing the young people of Iowa that no matter how little the place where you grew up, you can do big things with hard work. You can even become an astronaut.
