About the Award Program

The Maryland 4-H Animal Science Project and Record Awards Program will first be offered in 2019 to recognize 4-H members in the Animal Science Program for outstanding achievements in their project work. The awards program will provide recognition to 4-H members who demonstrate 1) distinguished levels of engagement in the Maryland 4-H Animal Science Program projects and related activities and 2) excellence in project record keeping activities.

Award Program Eligibility

This awards program is open to all senior age 4-H members (14-18 years) as of January 1st of the current year. Members are eligible to submit an application for multiple award categories; however, a member will be eligible to receive an award in only one category per year. A member is eligible to receive the Top Award in the same category only one time in their 4-H career. A member can receive the Top Overall Award only one time in their 4-H career. Thirteen award categories will be offered (see below).

Required Documentation

Youth interested in participating in this awards program must submit the required documents (listed below) via an online portal by the advertised deadline. The submissions will be evaluated and judged by a committee of UME faculty/staff and volunteers. Required documentation includes (100 points total):

- **Summary Report Form (20 points):** Completed Maryland 4-H Summary Report Form.
- **Project Essay (20 points):** Essay must be specific to the award category. Essay must be 2-3 pages in length, typed in 12 point Times New Roman, double spaced, with 1-inch margins.
- **Project Record (60 points):** Completed Maryland 4-H Animal Science Project Record. In species (or category) where there are both Market and Breeding Projects offered, a 4-H'er is encouraged to submit both Project Records if enrolled in both.

A 4-H'er may submit applications in multiple categories. To submit in multiple categories only one Summary Report Form is required, but a separate Project Essay and Project Record is required for each category.
