The Baltimore County 4-H Program is committed to educating 4-Hers and the general public about the importance of Agriculture. We have created a series of Ag and Animal Science based workshops for 4-H and non (future) 4-Hers. We encourage you to participate in these opportunities and to spread the word. These will be ideal experiences for 4-Hers to add to their record books and animal person of the year nomination forms!

We hope to see you there! To register for this session, please call the 4-H office at 410-771-1761. Sessions will be held at the Ag Center/4-H Office at 1114 Shawan Road, Cockeysville, MD 21030.

All classes will be from 1pm – 5pm. The next sessions are:

- December 8, 2012
  Livestock Breeding and Reproduction
  This class will include information about genetics, choosing sires, reproductive anatomy, and A.I. breeding. This class is better suited to intermediate and senior members.

- February 9, 2013
  Fibers Workshop
  Learn about fiber animals including sheep and alpacas and learn about spinning, felting, and dyeing fibers.

- March 9, 2013
  Intro to livestock judging and selecting a project animal
  Livestock judging is a process of evaluating, selecting, and placing various livestock species. Selection of project animals is actually judging livestock, comparing the merits of one animal against the merits of other potential project animals.

- April 13, 2013
  Salad Boxes / Spring Gardening
  Participants will build a salad box and learn about planting a spring garden.

- June 8, 2013
  Fitting and Showing Workshop
  Learn the basics of fitting and showing livestock including beef, sheep, swine, and goats.

The 4-H Office in Baltimore County will be CLOSED on:
- October 8, 2012
- November 6, 2012
- November 22-23, 2012
- December 25, 2012

The University of Maryland is equal opportunity. The University’s policies, programs, and activities are in conformance with pertinent Federal and State laws and regulations on nondiscrimination regarding race, color, religion, age, national origin, sex, and disability. Inquiries regarding compliance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments; Section 504 of the Rehabilitation Act of 1973; and the Americans With Disabilities Act of 1990, or related legal requirements should be directed to the Director of Personnel/Human Relations, Office of the Dean, College of Agriculture and Natural Resources, Symons Hall, College Park, MD 20742.
4-H National Headquarters and National 4-H Council are pleased to reveal the 2012 National Science Experiment for 4-H National Youth Science Day. The 4-H Eco-Bot Challenge will introduce youth to engineering concepts as they program a self-directed robot to clean up a simulated environmental spill. Developed by The Ohio State University and Ohio State Extension, this unique experiment will engage young people in finding a solution to an environmental challenge, using engineering design skills. To learn more, go to http://www.4-h.org/nysd.

Baltimore County 4-H will host the National 4-H Youth Science Day on October 10, 2012 at 6:30 pm.

Come join us for this year’s Maryland 4-H Volunteer Forum in Ocean City, MD. It is a wonderful time to visit the resort area. With the slower pace, traffic and parking problems are almost non-existent. Air temperatures are usually comfortable this time of year allowing you to enjoy the beauty of the area. The event provides time to meet other 4-H families and learn more about all the wonders of the 4-H program. It is an excellent opportunity for teen and adult volunteers to learn the knowledge and skills necessary to achieve Maryland 4-H’s three major goals - Strengthening Clubs, Enhancing Volunteer Development, and Reaching New and Underserved Audiences

The Carousel Resort Hotel is our host for the weekend. This Ocean City landmark is known for its indoor ice rink, indoor and outdoor swimming pools, and family friendly accommodations. The Forum has saved a block of rooms for early bird registrants at an excellent rate of $68/room per night (plus taxes). Most rooms have two double beds and feature a microwave and mini-refrigerator. Call the Carousel directly at 1-800-641-0011 to reserve your room by October 26, 2012 and be sure to mention the MD 4-H Forum for the special rate. Ocean front rooms and condos are also available for slightly more. A family weekend in OC doesn’t get any more affordable!

Register by October 12th to receive the “early bird” conference rate of $75.00. The registration fee is $100.00 for registrations postmarked after October 12th. Registrations must be accompanied by a check and will only be accepted until October 31st; don’t delay, register today! Check with your local 4-H Educator about the availability of a Forum Scholarship. Address any questions to Forum Coordinators, Dr. Lisa Dennis at ldennis@umd.edu, 410-651-8330 or Cheryl Hill at chill1@umd.edu, 888-326-9645.

University of Maryland Extension programs are open to all citizens without regard to race, color, gender, disability, religion, age, sexual orientation, marital or parental status, or national origin.
