4-H Dog Bowl Rules and Guidelines

Objectives:

The primary objective of Dog Bowl Contest is to provide an opportunity for youth enrolled in 4-H to demonstrate their knowledge of canine-related subject matter in a competitive setting where attitudes of friendliness and fairness prevail. These contests should provide an educational experience for both participants and spectators.

General Information & Important Dates:

- 1) **Contest Date: Sunday, October 28, 2018, 12:00pm. Location: University of Maryland Plant Sciences Building, College Park, MD.**
- 2) **Each county participating in the state contest must submit 100 questions per registered team/individual(s) for the respective age division(s). QUESTIONS ARE DUE to Chris Anderson by October 8th. Questions must be submitted in the MS Word template provided and sent electronically to Chris Anderson via e-mail: canders2@umd.edu. For more information on the format of questions, please refer to the section entitled, "Questions".**
- 3) This is a contest in which teams compete. Team members selected for statewide competition must be verified by their 4-H Extension Educator and pre-registered on the Official Entry Form. **Entry forms are due to the State 4-H Office by October 8th.** For more information on the structure of teams, please refer to the section entitled, "Teams".
- 4) Statewide competition will be governed by the prescribed procedures and regulations. Additional rules may be promulgated for specific purposes.

Teams:

- 1) A team is composed of at least three (3) but not more than four (4) members.
- 2) A team consisting of 4 members may have a 5th member designated as an alternate.
- 3) Alternates may be substituted at any time during the round.
- 4) If a team of 3 is competing against a team of 4 during the "One-on-One" questions, a random draw prior to the start of the game will determine which player on the team of 3 will answer twice.
- 5) Juniors and Intermediates may compete above their age level. Seniors can only compete on Senior Teams.
- 6) Each county may enter 2 Junior division teams, 1 Intermediate team, 1 Senior team and up to 3 "Individuals" per age division (to participate on "Mixed Teams"). If a county does not have enough members to make a team, it may register up to 3 members per age division as "Individuals". All "Individuals" will be assigned to a "Mixed Team" by the State 4-H Office prior to the contest. 4-H'ers can only compete on one team. "Mixed Teams" are eligible for Team Awards. Members registered as "Individuals" are eligible for Individual Awards.

- 7) **Counties submitting individual names for mixed teams must submit the required number of questions in the respective age division(s) in the same fashion as county teams.**
- 8) Alternate Substitutions:
 - a. During the match, one (1) team member only may be replaced at the panel when:
 1. The moderator deems it impossible for one of the seated members of the team to continue in the contest; or
 2. The captain of the team requests the replacement of a team member, and
 3. It does not interrupt the flow of the game.
 - b. The team member removed from the match becomes ineligible to return to that particular match. The team member removed and the replacement member are both eligible to participate in further matches.

Questions:

- 1) There are two types of questions, Direct or Fill-in-the-Blank. Pictures of breeds and equipment may be shown for identification.
- 2) Juniors will be given some Identification Questions.
- 3) Questions should come from the official sources only and must include the correct answer as well as a reference source and page number.
- 4) Each team must submit 100 questions for their respective age level.
- 5) Questions must be typed into the provided Word template.
 - a. Do not type questions or answers in all caps.
 - b. Questions must be submitted electronically to the person listed in the General Information section.
 - c. Questions are due by the Due Date identified in the General Information section.
 - d. Questions that are not submitted in electronic copy, have incorrect reference information, or are late will not be accepted and entry into the contest may be denied for that team.
- 6) Several other points to consider when preparing questions are:
 - a. Make the level of difficulty for the questions appropriate for the age group. Very difficult questions will not be used. Junior teams should submit one third each of easy, moderate and difficult questions.
 - b. Questions on obscure subjects that only your team might know will not be used.
 - c. True/False or Yes/No questions will not be accepted.
 - d. Questions with code words will either not be used or will be rewritten.
 - e. Repeat questions will not be counted towards the required 100 questions per team.
 - f. Make sure all correct answers are listed for the specific question.
 - g. Be sure that you have the correct edition of the reference and double check to be sure that the page number is correct.
- 7) Referee Judges will be given a copy of the questions to be used prior to the contest.

Contestants and Eligibility:

- 1) Contestants must be bonafide 4-H club members carrying a 4-H project and approved by their 4-H Extension Educator.
- 2) 4-H members must be between the ages of 8-18 as of January 1 of the current year. Juniors are between ages 8 - 10; Intermediates are between ages 11 - 13; and Seniors are between ages 14 - 18.
- 3) Entry Forms must be submitted by the appropriate Extension Educator by the Due Date. Blank Official Entry Forms will be sent to the Extension Educator.

Equipment:

- 1) **Buzzers** An appropriate device will be used which will provide a clear indication of the first contestant to respond to a question.
- 2) **Time Recorder** A stopwatch or other appropriate time device will be required.
- 3) **Signal Device** This signal shall be used by the timekeepers and shall have a very distinctly different sound from that associated with the buzzers.
- 4) **Score Keeping Devices** Two devices will be needed. One, such as a blackboard, flip chart or electronic light display, will be used to maintain team scores visible to the contestants and, if possible, to the spectators. A second device will be required with which to maintain a record of individual contest scores.

Officials:

- 1) **Moderator** The Moderator is the person who reads the questions, designates contestants to answer the questions and indicates when a contestant has exceeded the allotted time for a question. The Moderator is also responsible for going over the rules and procedures prior to the match. The Moderator will declare the match winner and shall at all times be in control of the matches.
- 2) **Referee Judges** At least two (2) Referee Judges, who are knowledgeable dog persons, will rule jointly on the acceptability of any question or answer. It is recommended that one of the Referee Judges should have a veterinary background and the other, knowledge of dog show procedures.
- 3) **Time Keeper** The Timekeeper will monitor all time intervals and designate when time of response has been exceeded and will handle all controls of the game equipment (ie. buzzers). It is strongly recommended that neither the Moderator nor a Referee Judge be used as a Timekeeper.
- 4) **Score Keepers** At least two (2) individuals shall be used to keep score for each match. One Scorekeeper will tabulate points on a board that is visible to the Moderator, contestants and spectators. The second Scorekeeper will maintain a written record on a tablet or score sheet of the individual scores of each contestant.

Match Procedures:

- 1) Teams are seated at the respective panels facing the moderator and judges but with their backs to the audience. Each contestant is given the opportunity to check the equipment (i.e. buzzers) to assure they are in proper working order.
- 2) A team captain is designated. The Team Captain should be the one seated nearest to the Moderator.

- 3) There will be 24 questions per match for Juniors and 32 questions per match for the Intermediate and Senior Levels.
- 4) A player may not answer a question until they are recognized by the Moderator.
- 5) Players will have 5 seconds to begin their answer after activating their buzzer and being recognized by the moderator.
- 6) If a Player activates their buzzer before the Moderator finishes reading the question, then the person and/or team, depending on what part of the round the question is from, must answer the question. If an incorrect answer is given, the other team has the opportunity to answer the question immediately after having it re-read in its entirety. If the opposing team gets the question incorrect, the question is dead and the initial team to buzz in does not get a chance to answer.
- 7) In the event a team misses a question, the opposing team will be given the opportunity to answer the question immediately without being re-read. NO NEGATIVE POINTS WILL BE GIVEN.
- 8) If neither team can offer an answer to the question within 10 seconds of completion of the reading the question, the question will be dropped and neither team will forfeit points.
- 9) Each match will consist of 2 parts: "One-on-One" and Open Questions.
- 10) One-on-One: The Moderator shall clearly indicate the start of "One-on-One".
 - a) Each question shall be addressed to only one team member of each team, beginning with the number one contestant of each team and progressing with subsequent questions to the number two, three and four contestants respectively.
 - b) In the event that there are only 3 members on a team, there will be a random draw prior to the start of the match to determine the team member who will answer twice.
 - c) "One-on-One" questions are worth 2 points.**
 - d) Points earned on "One-on-One" will not count towards the "High Score Award".
- 11) Bonus Questions: The Moderator will announce that a Bonus Question is attached to a question prior to the reading of the question.
 - a) If the original question is not answered correctly, the Bonus Question will be attached to the next question.
 - b) Bonus Questions are to be answered by the Team Captain after the team has conferred. A 15-second Team Conference will be allowed for this purpose with paper and pencil provided for use by the team members.
 - c) If a Bonus Question is asked and then answered incorrectly, it does not go to the other team, it is just attached to the next question.
 - d) A Bonus Question is considered "dead in play" when it has not been answered correctly within three readings or when the moderator comes to another question that has a Bonus Question attached to it.
 - e) Bonus Questions are worth 2 points.**
- 12) **Open Questions will be worth 1 point each.**
- 13) Time Out: Either Team Captain or the Moderator may call for a "Time Out" for clarification of a rule, to permit substitution of a team member, or to allow for

unexpected problems. A "Time Out" may only be called after a question has been answered and before the start of the next question.

14)Protests:

- a) Any question and/or answer may be challenged as being unfair or incorrect.
- b) Protests must be made immediately after a question is answered or the time allotted to answer the question expires.
- c) Only the Team Captain or Coach may make a Protest. Only one Coach will be recognized from each team.
- d) The match will not continue until a decision has been made.
- e) Only the Moderator and the Referee Judges will consider the Protest. **THEIR DECISION, IN ALL CASES, WILL BE FINAL.**
- f) A one (1) point penalty will be assessed if the protest is not upheld.
- g) If a protest is upheld, the Moderator will take one of the following actions as it is deemed appropriate:
 - i. A question is protested before the answer is given and the protest upheld – discard the question. No loss or gain of points will result for either team.
 - ii. An answer is protested (either correct or incorrect) – at least one of the referee judges and the Moderator or both referee judges determine the validity or the protest. Points will be added or subtracted as appropriate.
 - iii. A question is protested after an answer is given (correct or incorrect) – at least one referee judge and the Moderator or both referee judges determine the validity of the protest of the question. The question may then be discarded at no loss of points as in (b) above.
- h) Abuse of the protest provisions may result in one or more of the following:
 - i. Dismissal of team coach from the contest area.
 - ii. Dismissal (replacement) of team captain.
 - iii. Dismissal of entire team with forfeiture of any points or standing
- i) Spectators, parents, and visitors may not protest any question, answer, or procedure during the course of play. They may, however, submit in writing to the contest organizers any suggestions, complaints or protests at the conclusion of the contest. Unsportsmanlike conduct or any actions, which are generally accepted as detrimental to the contest, may subject their perpetrators of such actions to dismissal from the immediate area of the contest.
- j) No source of information is infallible. There may at times be answers given to questions that are in agreement with the recommended sources, which are in fact erroneous. Every effort shall be made to eliminate such questions, but in the event of such occurrence, the referee judges and Moderator may challenge the answer and if there is unanimous agreement may elect to accept only the correct answers or to discard the questions with not loss or gain or points to either team.
- k) Once the Moderator has declared a winner of the game based on scores, there shall be no additional protest allowed.

- 15) Tie Matches: In the event of a tie, 5 additional questions will be asked. The team with the highest score during the tie-breaking round wins the match. If a tie still remains after the first tie-breaker, the Moderator will ask additional questions until one of the teams earns a one point advantage of the other team. At such time, the team with the one point advantage will be declared the winner.
- 16) Members and coaches of teams not yet eliminated from the competition may not enter into any competition room to view other matches in progress.

Equipment Failure:

It shall be the responsibility of each contestant to be assured that all equipment is operating correctly at the start of the match.

Equipment Failure During a Match:

- 1) If the device being used ceases to function during a match or is believed to be malfunctioning, a "time out" may be called by a contestant, the Moderator, or by either coach.
- 2) If after checking, it is determined that there is an equipment malfunction, the faulty part(s) will be replaced and play resumed.
- 3) Scores accumulated up to the point of the "time out" shall stand and all further points awarded during the remainder of the match added to or subtracted for this total.
- 4) If both Referee Judges or one Referee Judge and the Moderator deem it advisable, points awarded for the two (2) questions asked immediately prior to determination of equipment failure may be recalled and two (2) additional questions used.
- 5) Under no conditions shall there be a replay of a match in which there was equipment failure.

Recorders and Cameras:

- 1) Tape recorders may not be used at any time during the conduct of the match.
- 2) No recording devices such as videotape cameras, movie cameras, or any other type of camera requiring auxiliary lights may be used during conduct of a match. Photographs will be permitted only before or after a match and then in only such a manner as not to be disruptive of the contest.

Awards:

- 1) A trophy will be presented to each team member of the 1st Place Team in each age division (junior, intermediate and senior).
- 2) Ribbons will be presented to each team member of the 1st – 5th Place Team in each age division (junior, intermediate and senior). Participation Ribbons will be awarded to the remaining contestants.
- 3) A "High Point" trophy will be presented to the highest scoring individual in each of the age divisions: junior, intermediate and senior.

MARYLAND 4-H DOG BOWL REFERENCES (ADOPTED DECEMBER 2016)

JUNIOR DIVISION

- *Dog Resource Handbook* (Ohio State University), **2016 edition** – Can be purchased at cost from Chris Anderson at the Maryland 4-H Center.
