2014 will mark the 13th annual Women In Ag conference. The conference goals are to offer women who are involved with agriculture an opportunity to come together to learn about current issues and topics so they can make informed decisions concerning their agribusinesses and family lives. Sessions will cover topics in marketing, food preservation and canning, business plans and much more!

Cost of the conference is $45. Registration deadline is January 29, 2014.
