

2018 Harford County Farm Fair Instruction Information

Step 1: Read the rules and pre-pick your classes by previewing the following 4-H divisions:

Outdoor:

Club leaders and fair superintendents strongly encourage 4-H'ers to enter quality exhibits. Please limit superfluous entries when submitting online to keep entry costs down; for every class you enter, there is a fee that has been graciously absorbed by the 4-H Fair. Let's limit the quantity of entries and produce showcase exhibits.

Step 2: If you show livestock, please write down your 4-H ear tag numbers and your Premise ID or Scrapie tag numbers. If you have purebred papers, have them with you before you start. ***Rabbit show exhibitors: Please list the showroom color/variety under Description.**

Step 3: Go to: <https://harford.fairwire.com/>

Step 4: Go to **Register** at the top of the page just above Welcome.

Step 5: Once you pick your password, please write it down.

Step 6: Start picking your classes. We wish you all the best!

Step 7: Make sure you save your cart before you sign out or you will lose your entries. Please print a copy of your entries!

If you have any issues, please call the 4-H Office at (410) 638-3255.
