

Pasture Walk

Promoting Healthy Soils

Register at
<https://pasturewalk.eventbrite.com>

Pastures have started to green up. Did you know that having healthy soils will make your pasture more productive?

Join UME agriculture educators on a pasture walk where you will learn how to scout a pasture to determine soil health and forage available for livestock to graze. Regularly scouting and walking pastures is important to catching and addressing problems early.

March 30, 2017

6:00-8:00pm

**KINDRED SPIRIT
FARM**

31191 Johnson Rd.
Salisbury, MD 21804
