

ADVANCED GOOD AGRICULTURAL PRACTICES (GAP) COURSE

Hosted by:

IS AN ADVANCED GAP COURSE RIGHT FOR ME?

- If you are currently working with a written food safety plan and are looking for more in-depth guidance to streamline food safety practices and programs on your farm, or
- If you are interested in pursuing USDA harmonized or Harmonized+ GAP certification...

an Advanced GAP may be right for you!

WHAT YOU'LL GET FROM THIS TRAINING

- Insights to common issues seen in last year's GAP audits
- Advanced guidance and discussion on assessing water quality, developing cleaning and sanitation programs, and developing worker training programs
- Updates on the Produce Safety Rule and tips to help you comply to the regulation
- A Maryland Department of Agriculture Advanced GAP certificate

The University of Maryland Extension programs are open to all people and will not discriminate against anyone because of race, age, sex, color, sexual orientation, physical or mental disability, religion, ancestry, or national origin, marital status, genetic information, or political affiliation, or gender identity and expression.
