On Saturday, September 18th, the Chaptico Chargers and the other 4 H clubs worked the 4 H booth inside the 4 H building. The 4 H booth educates the public about 4 H. The 4 H building displayed the hard work and skills provided by the 4 H members. Also of Saturday, the parade was held. In the parade were local vendors, high school clubs and organizations. The Queen of Tolerance and Miss Maryland Agriculture were featured in the parade.

As always, the animals were a huge hit at the county fair. 4 H members showed their cattle, pigs, sheep, goats, poultry, horses, cows and rabbits. Many ribbons were won by the 4 H members.

Overall, it was a very fun and memorable experience for everyone to enjoy.
