NEW VIDEO CONTEST FOR LIVESTOCK EXHIBITORS

All of the livestock departments will be holding a video contest. The contest is intended to help enhance the learning and knowledge one gains throughout their project and to then convey that gained knowledge in a visual communication tool for the public. For questions, please contact the appropriate department superintendent.

Rabbit Department

Those 4-Hers who will be exhibiting rabbits/cavies at the Fair will need to attend a mandatory orientation session. The two dates to choose from are Monday, May 20th at 7:00 PM in the Alesia Building OR Thursday, June 6th at 7:00 PM in the Blizzard Building. Attendance will be taken. Anyone not attending will not be able to show at the fair.

Fair Judging Contest

If you plan on participating in any judging contest (livestock, dairy, rabbit, horticulture, skillathon, etc.), make sure that you have pre-registered for those contests for this year’s fair. This is a new procedure for this year’s fair.

Online Livestock Orientations

This year the fair is going to try and do the Livestock Orientations online, similar to the QA testing that the youth now have to do. For each species, youth will be required to do the orientation, print out a certificate and bring with you to obtain your Fair Livestock parking pass. More info to come as details are finalized.

Set-up/Clean-up Plan for the 2013 CC 4-H/FFA Fair

While this is a new idea, the Fair Board is going through with a Set-up/Clean-up Plan for the 2013 Fair.

Youth with last names starting A – L will have the set-up chore this year. On Saturday, July 20th, youth ages 8-13 will be expected to arrive at about 1pm to help put shavings in pens, set up signs, put out trash cans and other duties to be determined. You will not be expected to be here all day and this will alleviate the problem of youth being around equipment. Youth with last names starting M – Z will have the clean-up chore this year (this will be switched next year). On Sunday, August 4, youth ages 8-13 will be expected to arrive (not sure of time yet) to help gather trash cans, clean them up for storage, pick up trash from the parking area and buildings and other duties to be determined. Again, this is not expected to be an all day work event. More information will be coming as details are finalized.

Horse Exhibitors!!

For the County Fair the following is required:

Exhibitors, English and Western, must have passed Horsemanship Standards Levels 1 & 2 for Knowledge and Levels 1, 2, & 3 for Riding to show at a
cante or lop at the 2012 County Fair. A copy of the tests must be presented to the 4-H Office by the tester to be placed on file. Riders only passing Standards Levels 1 & 2 for Riding will be restricted to entering the Short Stirrup Walk, Walk/Trot classes, Long Stirrup Walk, Walk/Trot classes, and Western walk/jog classes. If you previously rode at a canter or lop at the fair, you cannot step down to the walk/trot or walk/jog classes with the mount you rode at a canter or lop.

Starting at the 2013 Fair, riders, in addition to the above, will have to pass Jumping Levels 1 & 2 to show in the Short Stirrup and Long Stirrup jumping classes and for the Pleasure and Hunter classes, riders will also have to pass Jumping Level 3. This will finally bring us in line with State Fair 4-H Horse Show.

Indoor Building
I conclude my series of articles highlighting the new classes or class changes for Indoor Depts. at the 2013 County Fair. This month I will cover the Foods Dept. which includes Canning, Cookies and Fudge, Cakes and Pies, Baking for Special Needs and Decorated Creations.

The Canning section has added 3 new classes--preserves of any kind, dried fruit and dried vegetables (the dried items are to be in a pint jar). Please read the descriptions for each of these classes and the information on jams, jellies and preserves.

Butter cream classes have been added to Cookies and Fudge. There will be a class for butter creams--any flavor and peanut butter creams. There is no class this year for Cookie of the Year.

The Cake of the Year is Chocolate Intrigue Cake.

We have given examples of Baking for Special Needs. With these suggestions we are hoping to increase entries in this section.

Fondant for the Decorated Creations doesn't need to be homemade.

The Cake Auction is not a department that you pre-register for. Instead you register the food item that will possibly be sold in the Cake Auction.

Cake discs will be available beginning June 3 at the 4-H Office. Any questions please contact the superintendents for the respective food area.

Sandra Stonesifer, Indoor Superintendent.
