Curriculum used by the PGA in Golf Clinics provided by Chevron Industries.

For more than 100 years, 4-H has stood behind the idea that youth is the single strongest catalyst for **4-H change**. What began as a way to give rural youth new agricultural skills, today has grown into a global organization that teaches a range of life skills. 4-H is dedicated to **positive youth development** and helping youth step up to the challenges in a complex and changing world. 4-H is dedicated to helping cultivate the next **generation of leaders** and tackling the nation's top challenges such as the shortage of **skilled professionals**, maintaining our global competitiveness, encouraging **civic involvement**, and becoming a **healthier society**. Be a Catalyst. Join **Maryland 4-H**.

WHY GOLF AND STEM?

- There are physics principles in golf!
- The goal of the Expo is to encourage youth to think like engineers and problem solvers as they learn how to play the game.
- Youth learn to manage their emotions as they experience the highs and the lows of the game.

The University of Maryland is an Equal
Opportunity Employer with
Equal Access Programs

Jamila Johnson, Academic Coordinator, PGA Golf Management at The University of Maryland Eastern Shore will be our partner and instructor in this program. She rebuilt the Men's Division I Golf Program after a 59 year hiatus. Her coaching led the team to be ranked among the top 10% academically within the NCAA Men's Programs.

A Special Thank you to:

- **The Maryland 4-H Foundation**
- **The University of Maryland Eastern Shore Athletics Department**
- **Lower Shore 4-H Youth Development Program**
- **The University of Maryland Extension STEM Program**
- **Red Sun Custom Apparel**
- **Level the Playing Field**
