Fall Cleanup and Composting

Autumn is a good time to plant trees and shrubs, rake leaves into garden beds and compost bins, and prepare vegetable plots for the winter. Pick up your free compost bin!

Planting Bulbs for Spring

Learn about planting both flower bulbs and edible bulbs for enjoyment in the spring. Take home a small potted bulb for growing on a windowsill over winter.

Houseplants: Winter Care

Keeping houseplants happy in your home during the winter months.

Reuse and Recycle in Our Gardens

Ideas on display of the many treasures you can create for your garden by re-purposing.

Community Food Rescue

Feed more, waste less. See what happens to food waste in a compost heap, and what worms do in vermicomposting. Activities for all ages!
