   Ellicott City, MD 21042

Handbooks usually ship within a week. Shipping is included in the cost of the handbook.

The Maryland Master Gardener Handbook was written to assist anyone who is interested in learning about effective and sustainable horticultural practices.

This handbook is an excellent resource for Master Gardeners, and also useful as a reference tool at businesses, libraries, nurseries, garden centers, and schools.

Features:
- 28 chapters, 670 pages, over 400 color photos
- A Bay-Wise approach to gardening that helps improve the soil, nurture plants, and manage most pests without pesticides
