

A 2016 Garden Smarter presentation...

Invasive Plant ID

Date: Saturday, September 3, 2016

Time: 10:00am – 1:00pm

Location: Community Resources Building

30 Duke Street

Calvert County Ext. Office Conf. Room 105

Prince Frederick, MD 20678

Description: Learn how to identify invasive plant species commonly found growing in landscaped and natural areas using cut samples from live plants. Following the presentation we will apply our new skillset by searching for wild growing invasive plants while we walk a short distance on the paved path that meanders through a natural area located between the CRB and the Phillips House.

Bring: A mobile computing device with Wi-Fi.
Comfortable walking shoes and dress appropriately for the weather.

RSVP: Please call 410-535-3662 or 301-855-1150 to reserve your space.
