Farmers Fortune 4-H Club

Farmers Fortune 4-H Club February Banquet

February 28, 2015
March 19th, 2015 the Farmers Fortune club held their 3rd meeting of the year. Many new faces were present at the meeting. As always, two volunteers stood up to hold the flags. Then after that, Brian Wathen gave a treasurer’s report for this year.

Instead of having a ‘sign-in’ sheet, the club now takes roll to see who is present. Then the clovers went to the back with Ann and Kim to make a cute Easter craft.

There will be a “Camp on Wheels” coming on July 7-9, that sounds like fun for any aged 4-Her. You get on a bus and go to a different science or nature center each day, which encourages youth to make positive environmental impact. Day Camp at Lions Camp Merrick will be on June 22-26. Overnight Camp will be July 19-25 in Western Maryland. There will be a Clover Camp on August 10-11.

For anyone looking into the 6-8 week broiler project, the guidelines are on the 4-H website. Also, teen training will be on Saturday, May 30th from 9:30-3:30. Contact Donna Mohler to sign up.
