Maryland 4-H Cloverbuds
A 4-H Discovery Program

I went to _____ club meetings.

Name: ___________________________ Birthdate: ________________________

Address: ______________________________________________________________

Parents: ________________________________________________________________

Club: ___________________________ County: _____________________________

Leader’s Name: ___________________________ Years in 4-H: ___________________

(including this year)

I like being a Cloverbud because ____________________________________________

_____________________________________________________________________

_____________________________________________________________________

_____________________________________________________________________

_____________________________________________________________________

It is the policy of Maryland Cooperative Extension that no person shall be subjected to discrimination on the grounds of race, color, sex, disability, age, religion or national origin.

Club Leader Signature ___________________________ Date __________

4-H County Staff Signature ___________________________ Date __________
This year I learned how to:

Here are some photos of me in Cloverbuds!
Draw a picture about you and 4-H!
Here are some pictures of things I made:
