*COVID-19 and Businesses*

### **Return to Work**

- ❖ People diagnosed with COVID-19 (confirmed by testing or based on clinical assessment and guidance)
  - Minimum of 7 days after symptom onset AND
  - No temperature of 100.4° F [38° C.] or greater for 72 hours (no antifever medication like acetaminophen) AND
  - Other symptoms substantially improved (cough may persist for 1 – 2 weeks)
- ❖ No need for a “clearance” or post-illness test
- ❖ Employers should not require a health care provider’s note or any COVID-19 test for employees to return to work
  - Healthy people should not and will not be able to see providers and most people will not be tested

03/18/20 - Per Clifford Mitchell, MD, MPH Director, Environmental Health Bureau  
Maryland Department of Health and Mental Hygiene
